## EXPLANATION TO TRANSCRIPT

### STATUS

Suranaree University of Technology (SUT), founded on 27 July 1990, is a state university of Thailand that is neither a government enterprise nor a juridical body under the supervision of the Minister of Education and is, therefore, a government-supervised state university as defined in the Suranaree University of Technology Royal Decree B.E. 2533 (1990) and in the Ministry of University Affairs Operating Guideline Act B.E. 2537 (1994).

### EDUCATIONAL SYSTEM

The University uses the credit-hour system and the trimester system. However, from the second trimester of the 1997 academic year, the previous 14 week trimester system was adjusted to 13 weeks, excluding registration days and the period of final examinations.

**Cooperative Education and Career Development :** Cooperative education is considered to be an integral part of Thailand's higher education revolution initiated by SUT. Systematically combining academic work with practical experience, the undergraduate student must work as a full-time employee at a work site related to his/her major field for at least 16 weeks gaining 8 credits.
